Scholarship Application Form

All Recreation Department programs operate on a self-supporting basis, which limits the amount of available aid that we can provide. Financial assistance is only available for programs that are run directly by Parks and Recreation Department staff. Financial assistance is not available for programs where we hire an outside vendor to run the program. Assistance is for residents of the City of Peabody or children who are attending any Peabody Public School.

To qualify for financial assistance, you must provide verification of your financial need. Please select which assistance you have and include a supporting document with your application:

- Low Income Home Energy Assistance Program (LIHEAP) in the most recent period
- Targeted Assistance for Needy Families (TANF)
- Women, Infants and Children Program (WIC)
- Supplemental Security Income (SS)
- SNAP Food Assistance
- A letter provided by a reference verifying your need. References include: School principal or guidance counselor, social worker, clergy, etc.

Note: This scholarship application is NOT for playground program financial assistance. All children who receive free school lunch are entitled to one free week and a reduced rate for any remaining sessions of the playground program. Those who receive reduced lunch are entitled to a reduced rate for all sessions of the Playground Program. For free/reduced lunch discounts, there is no need to fill out this application. For more information on how to receive this discount, please review our [financial information handout](#).
